SUPPORT LETTER - March 2008

Since 1997, Government has robbed council tenants of £19,000 million

Support the Moonlight Robbery Campaign:

Whilst Government says we live in 'subsidised housing'; the truth is that council tenants actually subsidise other tax payers; this year, to the tune of, £1,400 million - more than £13 per tenant per week, from our rents.

Council tenants collectively have been robbed of more than £19,000 million since this government has been in power.

The Moonlight Robbery Campaign's Briefing details how this robbery has sneakily been achieved by the Government.

How you can support the campaign:

- Make sure tenants on your estate or street know about this 'Moonlight Robbery'. Distribute a copy of our briefing to them
 - Send a copy of our 'Invoice' (1997 - 2005) to the Prime Minister, Gordon Brown, the Housing Minister, Caroline Flint and the Chancellor of the Exchequer, Alistair Darling. TRA's should add their letterhead and address to the invoice and post to Gordon Brown, Caroline Flint and Alistair Darling, 10 Downing Street, London SW1A 2AJ
 - Raise this issue in discussions at tenants meetings and in letters to your local newspaper
 - Ask you MP and councillors what they are doing about the robbery of tenants through our rents - let us know their response (Moonlight Robbery contact details below).
 - Add your tenants and residents association / federation's support.

We aim to get an Early Day Motion (EDM) in parliament, which you can ask your MP to support. Please regularly check our website – www.moonlightrobbery.org.uk (we will post information about the EDM there).

We will also be producing regular updates on the campaign and adding to our list of suggestions of how you can help to publicly expose the robbery of council tenants and hold those responsible for that robbery to account.
